

Detailed planning for Chan May New Port City

Ordering party : Management Board of Chan May Lang Co Economic Zone

Location : Thua Thien Hue Province, Vietnam

Project summary :

- Area: 668ha (Water zone 226ha)
- Port facilities : 11 berths, warehouses, logistics
- Harbor city : Offices, shops, exhibition center, fitness facilities

Services : Urban planning (1/2,000)

Time of services : 2009

We developed this plan with the concept, "A Marine Gate City facing the town of Hue, the World Heritage site" , based on following 4 functions:

- (1) Education and services which supports port activities
- (2) Tourist spot connected with surrounding sightseeing areas
- (3) Messe and convention center located close to the industrial district behind the planning site
- (4) Sports & recreation place for people in Chan May new town and Hue city
