Time of service : 2007

The planning area for a seafront beach resort on the east coast of the Phu Quoc Island is located 600km west of Ho Chi Minh and designed to include the fairway villas and 18-hole golf courses at the side of the road running north-south in its center, with attention given to allow a phased development. This resort includes 1,200 housings with 5 types from a corporate villa to a semi-detached house.
